EMERGENCY

SECRETARY'S ORDER

Pursuant to 16 Del.C. §1119C and 29 Del.C. §10119, and pursuant to Paragraph 2(d) of the Governor's Eighth Modification of the Declaration of a State of Emergency for the State of Delaware Due to a Public Health Threat

3225 Assisted Living Facilities

AUTHORITY

Pursuant to 16 Del.C. §1119C and 29 Del.C. §10119 and pursuant to Paragraph 2(d) of the Governor's Eighth Modification of the Declaration of a State of Emergency for the State of Delaware Due to a Public Health Threat ("Governor's Emergency Declaration,"), the Department of Health and Social Services ("Department") is adopting emergency regulatory amendments to 16 Del. Admin. C. 3225: *Assisted Living Facilities*. Additionally, 29 Del.C. §10119 authorizes the Department to adopt emergency regulations where an agency determines that an imminent peril to the public health, safety or welfare requires the amendment of a regulation with less than the notice required by 29 Del.C. §10115. Moreover, 16 Del.C. §1119C authorizes the Department to adopt, amend, repeal, or issue regulations for long-term care facilities and services.

REASON FOR THE EMERGENCY ORDER

Rapid and widespread transmission of COVID-19 is of significant concern within congregate settings, particularly within nursing facilities, assisted living facilities, rest (residential) facilities, and intermediate care facilities for persons with intellectual disabilities.

Because asymptomatic or presymptomatic residents and staff might play an important role in transmission in facilities, additional prevention measures merit consideration, including using testing to guide the use of transmission-based precautions, isolation, and cohorting strategies.

The ability to test large numbers of residents and staff may significantly decrease transmission of COVID-19 within facilities.

EFFECTIVE DATE OF ORDER

It is hereby ordered, that 16 Del. Admin. C. § 3225: *Assisted Living Facilities*, specifically, line 18.3.1 and Sections 3.0 and 9.8 which expand definitions, documentation, emergency preparedness, and testing requirements, is temporarily modified as shown by underline as follows:

9.8.1.3 All testing and test results must be documented in the resident medical record.

9.8.2 Staff, vendors and volunteers

9.8.2.3 All staff, vendors and volunteers who test negative must be retested consistent with Division of Public Health guidance for the duration of the public health emergency.

9.8.2.4 Facilities must report all staff, vendor and volunteer testing and test results, to the Delaware Division of Public Health.

9.8.2.5 Facilities must follow recommendations of the Centers for Disease Control and Prevention of the U.S. Department of Health and Human Services and the Division of Public Health regarding the provision of care or services to residents by staff, vendor or volunteer found to be positive for COVID-19 in an infectious stage.

9.8.2.6 Facilities shall amend their policies and procedures to include:

9.8.2.6.1 Work exclusion and return to work protocols for staff tested positive for COVID-19

9.8.2.6.2 Staff refusals to participate in COVID-19 testing

9.8.2.6.3 Staff refusals to authorize release of their testing results to the facility

9.8.2.6.4 Procedures to obtain staff authorizations for release of laboratory test results to the facility so as to inform infection control and prevention strategies

9.8.2.6.5 Plans to address staffing shortages and facility demands should a COVID-19 outbreak occur.

18.3.1 The all-hazard emergency plan must include plans to address staffing shortages and facility demands.

This Emergency Order shall take effect on June 1, 2020 and shall remain in effect for 120 days. At the expiration of 120 days, the Department may choose to renew this Emergency Order once for a period not exceeding 60 days, consistent with 29 *Del.C.* §10119(3).

C.* § 3225: *Assisted Living Facilities*, a copy of which is hereby attached, is adopted, pursuant to the Governor's Emergency Declaration, 16 *Del.C.* §1119C, and 29 *Del.C.* §10119, as referenced above, and supported by the evidence contained herein.
