

Order of the Department of Health and Social Services

Pursuant to the authority established in 16 *Del. C.* § 122, and 20 *Del. C.* § 3133, Dr. Karyl T. Rattay, Director of the Division of Public Health, on behalf of the Department of Health and Social Services, hereby requires that all healthcare providers administering COVID-19 vaccination in Delaware must report daily vaccine inventory in VaccineFinder.

Failure to comply with this order will result in a fine as authorized by 16 *Del. C.* 107(a). Repeated failure to comply with this order may result in the cessation of vaccine distribution to the noncompliant provider.

This order remains in effect until withdrawn.

A handwritten signature in black ink, appearing to read "K. Rattay MD".

Karyl T. Rattay, MD, MS, FAAP
Director
